- i. "Line grade verification" before the foundation is poured.
 - ii. A ILC Survey prior to the issuance by the Architectural Committee of a Certificate of Compliance to the Owner.

Such requirements, if imposed upon the Owner by the Architectural Committee, shall not be deemed to be arbitrary or capricious.

2. Compliance by Owner.

- a. Owner acknowledges and agrees his Property is subject to the authority of the Architectural Committee as described in the Design Covenants. Owner agrees to fully and timely comply with the Design Covenants, the Construction Management Plan as approved by the Architectural Committee, and all terms and conditions of this Agreement.

Or Owner has chosen to act as the General Contractor ("Owner-Contractor") to coordinate and oversee the proposed Construction Activity. Owner acknowledges that his/her decision to act as an Owner-Contractor may increase the administrative, review, and inspection burden on the Architectural Committee. Thus, in consideration of acting as an Owner Contractor, Owner agrees to post a higher Compliance Deposit, as described in Section 5.

- c. Owner authorizes the Architectural Committee to: (i) provide to the members of the Association who own real property contiguous with Owner's Property, written notification that the Architectural Committee has approved commencement of construction on the Property; and (ii) upon request of an Association member responding to the notice, permit such member to inspect the approved Construction Management Plan.

Owner acknowledges that Section 24 (Prompt Completion of Structures) of the Covenants requires that all Construction Activity be complete within eighteen (18) months of the Architectural Committee's approval of the Construction Management Plan. For the purposes of this Agreement, and the Covenants, Owner agrees that "Completion of Construction Activity" means completion of all site work; excavation; grading; construction or remodeling of any structure or improvement, including all punch list items; landscaping and irrigation systems; revegetation, and reclamation of all disturbed areas. Further, Owner understands that issuance of a Certificate of Occupancy by Eagle County does not constitute Completion of Construction Activity.

Owner agrees to incorporate xeriscaping and other landscaping of drought resistant and native trees and grasses into his Landscaping Plan, to the extent possible. 5. Compliance Deposit.

- a. Payment. Owner shall deposit with the Association, along with the Agreement, a Compliance Deposit in the amount of _____ Thousand and no/100 dollars U.S. (\$ __,000.00) ("Compliance Deposit"). The Compliance Deposit shall be made payable to the "Ruedi Shores Homeowners Association" and shall be in the form of a cashier's check, which shall be deposited by the Association in an insured account at an insured depository institution. The Association shall not be obligated to keep the Compliance Deposit separate from other moneys of the Association.
- b. Use of deposit. Owner agrees that if Owner (and/or its employees, agents, or other representatives, including contractors and subcontractors) fails to cure any violation of, or noncompliance with, the Design Covenants or the Construction Management Plan or this Agreement, or to pay any fine levied by the Architectural Committee in connection with such violation or noncompliance, the Architectural Committee may, without further notice to Owner, deduct from the Compliance Deposit all unpaid fines and all costs and expenses, including but not limited to administrative costs, court costs and attorneys' fees, incurred by the Architectural Committee in connection with enforcement of compliance. If Owner fails to timely correct any violation or noncompliance, the Architectural Committee may draw upon the Compliance Deposit to pay the costs incurred by the Association to remedy the circumstances creating the violation or noncompliance. Owner is not entitled to reimbursement for any costs incurred by the Architectural Committee in enforcing compliance with this Agreement. To the extent Owner's Compliance Deposit is insufficient to reimburse the Architectural Committee for such expenses, Owner agrees to timely replenish the deposit in the amount reasonably required by the Architectural Committee after written demand therefore.
- c. Return of deposit. Upon the Board of Director's issuance of a Certificate of Compliance to Owner, the Compliance Deposit (or such unused portion of the Compliance Deposit, if any, as remains upon issuance of such Certificate) shall be returned to Owner upon Owner's written request. If, however, the Architectural Committee has determined not to return to Owner all or any part of the Compliance Deposit for reasons permitted herein, the Owner shall have a period of six (6) months following its notice of that decision in which to file with the Architectural Committee a written Notice of Intent to Sue Architectural

The cost of mediation shall be shared equally by the Association and the Owner. The mediator shall be a licensed attorney. The mediation session shall be completed before a suit is filed.

6. Duration of Agreement. This Agreement shall remain in effect until one year after all improvements and alterations proposed by Owner for the Property and approved by the Architectural Committee are substantially completed and the Architectural Committee has issued a Certificate of Compliance together with a written accounting for disposition of the Compliance Deposit. 7. Enforcement of Compliance by Architectural Committee.

- b. Determination of noncompliance. The Architectural Committee, on its own initiative or in response to a complaint or report filed by any person, is authorized to determine whether Owner's Construction Activity complies with, the Design Covenants, the approved Construction Management Plan and/or this Agreement. Any determination of noncompliance by the Architectural Committee of an Owner's Construction Activity shall be reasonable and not arbitrary or capricious.
- c. Remedies and Fines for noncompliance. The Association is authorized to enforce Owner's compliance with the Design Covenants, the Construction Management Plan and/or this Agreement by imposing one or more monetary fines upon Owner for violations or any noncompliance. Such fines may include any unpaid fines, as well as associated administrative and legal costs incurred by the Association, all of which may be withdrawn directly from Owner's Compliance Deposit. The Association, by and through its Architectural Committee, officers, employees or other agents) shall be entitled to enter upon the Property to remove nonconforming improvements and may exclude Owner's agents from entry to the Ruedi Shores community. Additionally, the Association may pursue any other available legal and/or

equitable remedies. Such remedies shall be cumulative and not exclusive. The Architectural Committee may, in its discretion and after notice to Owner, declare each day that a violation or noncompliance continues as a separate violation or event of noncompliance.

- d. Notice of noncompliance. If the Architectural Committee determines that a violation of the Design Covenants and/or the Construction Management Plan and/or this Agreement has occurred in connection with Owner's Construction Activity, the Architectural Committee (or its authorized employee or agent) shall provide Owner with written notice of the violation (delivered to Owner as provided in this Agreement for "Notices"), and may impose a fine in the amount set forth in the Rules and Regulations of the Architectural Committee, as they may be amended from time to time. Owner shall have no less than ten (10) days written notice prior to the "due date" for the payment of said fines within which Owner may cure such violation and/or request in writing a hearing before the Architectural Committee, or its designee. The notice from the Architectural Committee shall include (1) a statement of the violation, (2) a description of the sanction proposed to be imposed or other remedy to be pursued by the Association, and (3) a statement informing the Owner of its right to seek a hearing as set forth above. If Owner cures the violation prior to the expiration of said 10-day period (referred to herein as the "Cure Period", payment of the fine shall be waived by the Association. The Cure Period may be extended upon a showing by Owner that it is making good faith efforts to cure the violation, which decision to extend shall be at the sole reasonable discretion of the Architectural Committee.

Owner acknowledges and agrees that if the Architectural Committee imposes a fine or other sanction against Owner as described above in subparagraph (d) of this paragraph 3, and such fine remains unpaid and/or the violation or noncompliance giving rise to such fine and/or sanction remains unresolved by Owner, then after the Owner's right to a hearing has expired or no further appeal is available, whichever comes first, the Architectural Committee may record in the records of the Clerk and Recorder for Eagle County, Colorado, with reference to the Property, a public notice of such violation or noncompliance.

8. Indemnification. Owner hereby indemnifies and holds harmless the Association, the Architectural Committee, and all officers, employees and agents thereof, from all liability for any and all losses, claims and demands whatsoever, made by any person or entity, for damage or injury to person or property, arising from or connected with Owner's Construction Activity on the Property and/or the Board's approval thereof and/or enforcement of compliance with this Agreement.
